Greetings and Congratulations!

Your small business has been selected as one of twelve Best Small Businesses of the year. RTI Laboratories has been selected from among 12,382 companies the MI-SBTDC provided with confidential counseling and training last year.

Your company was chosen not only upon the basis of its success in terms of sales, employment and business strategy, but also on the company's economic impact, and of course the involvement of the MI-SBTDC in providing assistance to reach those goals.

Please join us on April 30th, 2009 at the Lansing Center for a pre-awards "Best Small Business" presentation.

The evening will begin with the "Best Small Business" presentation at 4:00 p.m., Michigan reception at 5:00 p.m., dinner and MCSB awards presentation to follow at 7:00 p.m. Yet there is more, the post-reception will begin promptly at 9:00 p.m. following the MCSB awards presentation. The MI-SBTDC regional director and/or business counselor that provided you with assistance will be attending the dinner.

Please RSVP to Jennifer Deamud at deamudj@gvsu.edu by March 23rd. Should you have any comments or questions please contact the MI-SBTDC State Headquarters at any time at 616-331-7480.

Sincerely,

Jennifer Deamud
